That Arcadia Valley is of interest to outsiders is evident by the numbers who visit us over Sunday. At the Cottage Hotel, Arcadia, last Sunday, were Mr. and Mrs. Samuel Bucknell of East St. Louis, Mr. and Mrs. J. H. Bowden and daughter, and Mr. and Mrs. D. E. King, St. Louis; Messrs. Some two weeks ago Robert L. Lindsey of Kansas City—formerly of this place—was arrested on an indictment charging him with fraudulent use of the mails in connection with the sale of titles to government lands in Oklahoma. He had entered a plea of not guilty, but afterwards withdrew it and threw himself upon the mercy of the court. Judge Phillips withholds sentence for the present. Lindsey claimed to have a title, under an old Mexican land grant, to fifty-four sections of land, aggregating 1,064,160 acres, in the western half of Beaver county, Okla., practically all of which was subject to entry under the homestead laws of the United States. Lindsey, through various agents, put out deeds to this land, and scores of farmers were defrauded out of sums ranging from \$500 to \$2000.

County Clerk Stam, acting as agent for St. Francis county, by order and approval for the County Court closed a contract with the St. Francis Road Company last Tuesday, purchasing their road bed and right of way leading from Farmington to Doe Run. The purchase also includes the surface right of that portion of the 24-acre tract in Survey 2969, south of the north bank of St. Francis river, making the north bank of that river the line, thereby securing a fine gravel bed, also one acre on the north side of the river in the southeast corner, including the rock quarry. The cost of the county, after deducting the value of its shares in the road and dividends on same, is \$1,956 65. This is a good investment on the part of the County Court, and will be a great accommodation to a large portion of our people who have been compelled to pay toll on this road for many years.—Farmington Times.

It will provide also the opportunity of meeting and hearing more of the best musicians in the State than have ever before gathered together at one time, and perhaps more practically it will afford the opportunity of expressing your ideas and of hearing the ideas of others expressed on topics of the most vital and practical interest. Half rates will be given on all railroads, also very reasonable charges will be made by the hotels and boarding houses in Springfield. Trusting Iron County will be well represented, cordially.
